Dear Pioneer Parents,

The Pioneer School District is seeking information from its parents/community about the programs, services, and operations of the district. The information gathered from the survey will be used to inform the development of the District's Local Control Accountability Plan (LCAP), programs and services for the upcoming year. Please take a few minutes to complete the survey which can be accessed through your parent portal so that we may be better informed when developing plans to better serve your child/children in our schools. To access the sign-in page of your parent portal, click [HERE](#).

I thank you in advance for your time and consideration in completing the survey.

Sincerely,

Paul van Loon - Superintendent

January 22 - 26, 2024

Dear Parents/ Guardians:

Our school is proudly participating in The Great Kindness Challenge, a week-long program dedicated to creating a culture of kindness and compassion in communities worldwide.

To help our students practice kindness and put their compassion into action, they will receive a Great Kindness Challenge checklist.

We will encourage all students to complete as many acts of kindness as possible at school and hope they feel inspired to continue them at home!

Together, we will lift each other up, cheer each other on and show the world that KINDNESS MATTERS!

Sincerely,

Please join us!
