- April 7th
- May 5th
- June 2nd
- * Meetings are held online.
- Please see weekly bulletin
- for more information.

***Events are subject to change and will be updated frequently.

.

Drop Off and Pick Up

Students are to be dropped off and picked up in the designated area only. The pickup/drop off lane in the **north parking lot** is for quick dropping off and loading of students. Every effort is made to ensure student safety. School staff are stationed at this area to assist students and guide traffic.

If you need to get out of your car to assist your child or if it takes extra time to properly fasten your child into a car seat, we ask that you park in a parking stall and walk to pick up your child. For your child's safety, please have your child exit the car closest to the school building to avoid passing traffic.

Please note that the handicapped parking stalls near the office can only be used by vehicles with proper handicap signage. The front parking lot, located by the office, cannot be used as a pick up or drop off area. Support by all adults with all procedures is imperative to student safety.

Students who arrive at school by bike or scooter **must wear a helmet** for safety. We also do not allow students to **cross traffic at the non** designated crosswalks. This is for student and parent safety. Please refer to our suggested route plan for more information. Staff and our school resource officer monitor this and will remind students and parents of this safety rule.

Student Birthdays

In an effort to encourage our students to develop a healthy and protect students with food allergies from lifestyle accidental exposure, and the changes in the federal nutritional requirements, we will not allow food treats (including candy and juice) for birthday snacks. Parents are still encouraged to celebrate student birthdays by offering an alternative to food treats such as providing an item for all students in the class with pencils, erasers, crayons, etc.* Another fun idea is to donate a hardback book to the library in honor of your student. Please contact your child's teacher or school office in advance with a description of the birthday goodies. Parents will need prior approval before sending items to school. If food treats are brought to school, they will be returned since they are not allowed at school. Balloons, flower deliveries, etc. are not permitted for students. They will be refused if brought on campus, as it is a distraction to the learning environment.
