## NEWS AND INFORMATION

Join us in celebrating our FABULOUS Frontier staff next week May 5th through May 9th! Throughout the week we will be honoring our AMAZING Frontier staff with a variety of goodies and activities! Thank you to our PTC for all of your support!

**Unpaid Fees:** Please check your Infinite Campus Parent Portal for outstanding fees (library book fines, technology fines, etc.) All outstanding fees will need to be paid prior to the school year ending. If your child has any outstanding fees, they may be excluded from certain end of the year fun activities. Please ensure your child's fees are paid.

**New Student Registration Now Open for the 2025-26 School Year!!!**

**Does Your Child Qualify for Transitional Kindergarten (TK)?**

**The birthday range for TK is expanding again next school year!**

If your child turns 4 by September 1, 2025, then he/she qualifies to enroll in TK for the 2025-26 school year! If your child turns 5 before September 1, 2025, then he/she will be in kindergarten. You can register online at [puesd.net](http://puesd.net). Click the "Enrollment" link in the top, red options bar above. Contact Fawn Lemons at [lemons1@puesd.net](mailto:lemons1@puesd.net) with any questions.

**CAASPP State Testing:** State testing is almost here! Students in Grades 3rd-5th will be starting state testing during the week of **May 6th-May 23rd**. We encourage students to get plenty of rest, eat a healthy breakfast, and do their best! If your child has a pair of wired headphones, please have them bring them to school for CAASPP testing. This will help ensure a smooth testing experience. Thank you for your support.

April 2025

Dear Frontier Parent/Guardian:

There are many ways to measure your child's learning. Your child's teacher uses report card grades, classroom work, teacher observations, and end-of-year statewide test results to get a complete picture of your child's learning. Each year, students participate in the California Assessment of Student Performance and Progress (CAASPP). Your child will take the following tests, depending on their grade level or instructional program:

- Smarter Balanced Summative Assessments for English language arts and math, required tests in grades 3–8 and 11
- California Science Test (CAST), a required test in grades 5 and 8 and once in high school

Every year, California students take several statewide tests. When combined with other measures such as grades, class work, and teacher observations, these tests give families and teachers a more complete picture of their child's learning. You can use the results to identify where your child is doing well and where they might need more support. This year, Frontier Students in grades 3-5 will be taking the Smarter Balanced Summative Assessments at school.

Your child may be taking one or more of the following California Assessments of Student Performance and Progress (CAASPP), English Language Proficiency Assessments for California (ELPAC) and Physical Fitness Test assessments. Pursuant to California Education Code Section 60615, parents and guardians may annually submit to the school a written request to excuse their child from any and all of the CAASPP assessments. This exemption does not exist for the ELPAC or Physical Fitness Test.

The testing schedule is listed below:

You are an important part of your child's education. To make sure your child feels comfortable taking the tests, you can do the following:

- Explain to your child that these tests are used as tools to help them learn, and that they should not be anxious or scared.
- Remind your child that you and their teacher want them to try their very best and are there to help, every step of the way.
- Explore the practice tests with your child on the CAASPP Online Practice and Training Tests web page at [www.caaspp.org/practice-and-training/index.html](http://www.caaspp.org/practice-and-training/index.html) so they can become familiar with the platform and setup of the tests.

You will receive your child's results at or before the beginning of the next school year. The results will identify where your child is doing well or needs more help, so you can better support their learning at home and teachers can better support their learning in the classroom.

To learn more about these tests go to the CAASPP Starting Smarter website at [ca.startingsmarter.org](http://ca.startingsmarter.org), or review the CDE Parent Guides to Understanding web page at [www.cde.ca.gov/ta/tg/ca/parentguidetounderstand.asp](http://www.cde.ca.gov/ta/tg/ca/parentguidetounderstand.asp).

If you have questions, please contact the **Frontier Office** at **559-585-2430**.

Sincerely,

***Tenci Murillo-Brown***

## **Be the best Mustang you can be!**

## Drop Off and Pick Up

Students are to be dropped off and picked up in the designated area only. The pickup/drop off lane in the **north parking lot** is for quick dropping off and loading of students. Every effort is made to ensure student safety. School staff are stationed at this area to assist students and guide traffic.

If you need to get out of your car to assist your child or if it takes extra time to properly fasten your child into a car seat, we ask that you park in a parking stall and walk to pick up your child. For your child's safety, please have your child exit the car closest to the school building to avoid passing traffic.

**Please note that the handicapped parking stalls near the office can only be used by vehicles with proper handicap signage. The front parking lot, located by the office, cannot be used as a pick up or drop off area.** Support by all adults with all procedures is imperative to student safety.

Students who arrive at school by bike or scooter **must wear a helmet for safety**. We also do not allow students to **cross traffic at the non designated crosswalks**. This is for student and parent safety. Please refer to our suggested route plan for more information. Staff and our school resource officer monitor this and will remind students and parents of this safety rule.

## Student Birthdays

In an effort to encourage our students to develop a healthy lifestyle and protect students with food allergies from accidental exposure, and the changes in the **federal nutritional requirements, we will not allow food treats (including candy and juice)** for birthday snacks. Parents are still encouraged to celebrate student birthdays by offering an alternative to food treats such as providing an item for all students in the class with pencils, erasers, crayons, etc.\* Another fun idea is to donate a hardback book to the library in honor of your student. Please contact your child's teacher or school office in advance with a description of the birthday goodies. Parents will need prior approval before sending items to school. **If food treats are brought to school, they will be returned since they are not allowed at school. Balloons, flower deliveries, etc. are not permitted for students.** They will be refused if brought on campus, as it is a distraction to the learning environment.
