Parent(s) and Guardians-

As a freindly reminder, it is cold outside for the next few monts, so we ask that you talk to your child about keeping track of their coats, sweaters, and other items. We ask that you consider putting their name on their belongings. A black Sharpie will work. If there are names on student belongings we can usually get lost items back to them.

If an item has been lost, remind your child to look in the Lost and Found located in the cafeteria.

We also make daily announcements to remind students and have been putting this message in our weekly All Call messages.

We appreciate your assistance on this matter.
